Application Materials

Students must submit the *GDDF Student Application Form* to their department before the internal department/program deadline. Include the following items in a single PDF in the following order:

1. Completed GDDF Student Application Form (this form)
2. Student Statement that addresses the following areas (500 words max)
 - o Research Status: Brief non-technical description of your research status and progress to date
 - o Timeline for degree completion
 - o Rationale: Explanation of how this fellowship would help you finish within the specific timeline
3. Past Employment: Description of past university employment while a graduate student
4. Funding: List of funding/fellowships you received or expect to receive, including year and amount
5. Curriculum Vitae (CV)
6. Unofficial academic transcripts
 - o *Note:* Students must be in good academic standing to receive this fellowship. Winter Quarter grades will be reviewed before nominees are awarded fellowship. Spring Quarter grades will be reviewed before funds are dispersed. Failure to meet academic requirements may result in removal from fellowship.
