

Call for DECADE Student Representatives:

DECADE Student Representatives are current UCI graduate students with a commitment to addressing inclusive excellence in graduate education. Each DECADE Mentor will nominate between 1-3 students to serve as DECADE Student Representatives for their academic departments. The term of the Student Representative position is one academic school year (September 2019 - September 2020).

Student Representatives are responsible for the following:

- Collaborate with their respective DECADE faculty mentors to plan and organize events, initiatives, and meetings at the department level that bring faculty and graduate students together.
- Serve as a liaison between their academic departments, the Office of Inclusive Excellence and Graduate Division.
- Attend monthly town halls to engage in larger dialogue about best practices or challenges taking place in their academic departments.
- Provide feedback regarding the DECADE program while working closely with students, faculty, and administrators to refine the goals and mission of the program.
- Obtain feedback from graduate students in their academic departments to assess current climate and student needs.
- Participate in discussions that inform initiatives and programming that aim to address the needs of graduate students across campus.
