CALL FOR NOMINATIONS

Re: Fletcher Jones Fellowship Competition for AY 2016-2017

The UC Office of the President has announced the Fletcher Jones Fellowship Program for 2016-2017. This highly prestigious award provides a doctoral student with a one-year fellowship in the amount of \$19,039. Each campus may make one award, the recipient to be chosen by a committee constituted by the Graduate Dean. Students from all Ph.D. programs are eligible.

Since this award will be disbursed monthly throughout the 2016-2017 academic year, nominated students must not plan to graduate before the conclusion of Spring Quarter 2017. As this fellowship is intended to support doctoral degree completion, students demonstrating a clear plan and strong likelihood of filing their dissertation by the summer dissertation filing deadline at the end of the award year will be given the strongest consideration.

Each School may nominate one outstanding doctoral student who meets the following minimum criteria:

- Shows financial need
- Exhibits excellent interpersonal and leadership abilities
- Has a UCI GPA of 3.8 or better through Spring Quarter 2016
- Has advanced to candidacy for the Ph.D.
- Is making satisfactory academic progress toward their degree
- Is a U.S. citizen or permanent resident

Your nomination package should be submitted by the School's Associate Dean and must include:

1. A completed, signed UCI Fletcher Jones Fellowship Nomination Form
2. A completed, signed Student Information Form with the following items:
 - 100-word statement of financial need (note any gaps in support, dependents, etc.)
 - 100-word student profile
 - 500-word statement by the nominee describing their research project, progress to date, and plan for completion. Nominees should describe their research in terms that are accessible to a general audience since the reviewers may not be in their field.
3. A current CV
4. Letters of recommendation from the following:
 - The student's faculty advisor/mentor (this letter should address the student's financial need, interpersonal and leadership abilities, satisfactory academic progress, and expected date of degree completion)
 - The student's department chair or program advisor

The nomination package should be forwarded with the signature of the School or Program's Associate Dean. A letter of recommendation from the Associate Dean is not required.

If students have applied for and accepted Financial Aid loans or Work-Study awards and subsequently receive any fellowships, the additional support may affect their eligibility for need-based financial aid. Students should contact the Office of Financial Aid and Scholarships to determine if their eligibility will be affected. Students should also review the terms of any funding that they have accepted for AY 2016-2017 to ensure that they are eligible to receive additional fellowship funding.

The deadline for School nominations is **5pm on Thursday, September 1, 2016**. Please send all materials as a single PDF file to [Kate Triglia](#). Should you have any questions, please contact Kate Triglia via e-mail or by phone at 949-824-9031.

Graduate students interested in this opportunity should consult with their program's graduate affairs staff regarding internal deadlines.

Thank you for your interest in this important program designed to support our graduate students.

Sincerely,

A handwritten signature in cursive script that reads "Frances Leslie". The signature is written in black ink and includes a horizontal flourish at the end.
