

Chancellor's Club Fund for Excellence Fellowship

DEADLINE TO APPLY: February 16, 2018

The Graduate Division is pleased to announce the AY 2017-2018 competition for the Chancellor's Club Fund for Excellence Fellowships. Each school may nominate a maximum of three students to compete for ten fellowships. Chancellor's Club Fellowships are intended to recognize our most academically superior doctoral and MFA students — those who exhibit outstanding promise as scholars, researchers, and public leaders. **Please note, nominated students must be first-generation college students, with neither parent having received a four-year degree.**

Award Amount

Each Chancellor's Club Fellowship recipient will be awarded a three-month stipend to total \$6,000 for the period of April 2018 through June 2018. Chancellor's Club funding is in addition to existing support and may not be used as a substitute for other university support.

Applicant Qualifications

Nominees must meet the following minimum criteria:

1. Plan to complete their Ph.D. or MFA degree by the end of fall quarter 2018
2. Have a minimum graduate-level UCI GPA of 3.7
3. If a doctoral student, be advanced to candidacy for the Ph.D.
4. Demonstrate financial need
5. Be willing to present their dissertation research at a Chancellor's Club dinner or other function
6. Exhibit excellent interpersonal and leadership abilities
7. Be a first-generation college student, with neither parent having received a four-year degree

Stipulations:

- Students receiving this award are required to file all final degree paperwork by the end of fall quarter 2018. **Award funds will be returned by the school to Graduate Division if the student does not meet this requirement.**
- The faculty advisor's letter of recommendation should include the student's expected graduation date and express the advisor's level of confidence in the student's ability to complete as planned.
- If students have applied for and accepted Financial Aid loans or Work-Study awards and subsequently receive any fellowships, the additional support may affect their eligibility for need-based financial aid. Students should contact the Office of Financial Aid and Scholarships to determine if their eligibility will be affected. Students should also review the terms of any funding that they have accepted for AY 2017-2018 to ensure that they are eligible to receive additional fellowship funding.

Nomination Process

Your school is asked to collect nominations and forward the three most promising nominees, based on merit and student need. Nominations will be evaluated using the following criteria:

- Demonstration of financial need
