

## Thematic Independent Workshops

A group of stand alone workshops occurring around a central theme.

**We offer workshops in different series each quarter.**

- Careers & Entrepreneurship
- Communications & Cultural Fluency
- Ethics and RCR
- Leadership and Management
- Life Skills
- Teaching and Pedagogy
- Funding
- Graduate Preparation

## Thematic Programs and Boot Camps

A targeted sequence of 4-6 meetings meant to go more in-depth in a particular subject than a workshop. Several programs offer a certificate of completion.

**We offer programs and boot camps throughout the year.**

- Dissertation Boot Camp
- Public Speaking Boot Camp
- Interview Skills Boot Camp
- Advanced Communication Program
- ESL/ELL Academic Writing Program

## Courses and Certificate Programs

Faculty and experts lead courses and certificate program in which students experience more exposure to a subject and learn in depth material.

**We support courses and offer certificates throughout the year.**

- *Science Communication Skills* (Phy Sci 220)
- *Activate to Captivate* Communication Certificate
- Communication Consultant Certification
- Teaching Excellence Certificate
- Mentoring Excellence Program
