

## **Dissertation/Research Mentor Support Form**

The Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S.C. 1232g) and the regulations adopted thereunder (34 C.F.R. 99) gives applicants the right to inspect letters of recommendation written in support of applications for admission, employment, or awards. The law also permits students to waive that right if they choose, although such a waiver is voluntary and cannot be a condition of admission, employment, or award.

Your doctoral student/post-doc has applied to participate in the CSU-PRE-Professor Program (PREPP). The purpose of the program is to support graduate students and postdoctoral scholars by engaging them in a semester-long program at a California State University (CSU) campus. PREPP will immerse participants in the life of a faculty member at a comprehensive master's granting institution. PREPP Fellows will have individual mentorship from an experienced Faculty Mentor in two broad categories: *Instruction*, and *Understanding the Campus Culture and Service*.

This program will require approximately 3-5 hours per week over the course of a semester, with many of the activities done asynchronously with their PREPP mentor and a cohort of PREPP Fellows (email, video conferencing, online modules).

As this program requires time by your student/scholar away from your lab, we require that the primary research advisor/supervisor/mentor approves of their participation.

I **approve** of this doctoral student/postdoctoral scholar's participation in the CSU PRE Professor Program (PREPP) and support the use of their time to complete the program.

I **DO NOT approve** of this doctoral student/postdoctoral scholar's participation in the CSU PRE Professor Program (PREPP) and support the use of their time to complete the program.

Please rate the candidate on the following attributes and check the appropriate box for the indicators in each category.
