## Supplemental Questions

Be prepared to provide the following information when submitting your application:

- Will you be enrolled as a full-time graduate student at your institution for the 2026-27 school year? **(yes or no)**

- Will you have completed coursework by Fellowship start (Fall 2026)? **(yes or no)**

- Can you confirm that you are not a Google employee or do not have any members of your household that is a Google employee (spouse, parent, children)? **(yes or no)**

- Have you or your spouse/parent/children ever been employed by Google? **(yes or no)**

- When did you start your program here at UC Irvine? **(provide a date)**

- What is your proposed graduation date? **(provide a date)**

- **Please provide a mentoring statement (limit 300 words)** reflecting on the supervision environment, including the quality of guidance and the research culture in which the applicant will be engaged. We encourage the applicant and advisor to discuss and craft this statement together to ensure it accurately represents the planned mentoring and research context.
